

Just the beginning ..

... and what a beginning it is!

The breeding program of Sugar Hill is off to a great start with winners at both Regional & National levels. We breed a small number of horses each year with careful consideration, and we congratulate the owners of these winners.

Our latest foal crop is even more exciting. We invite you to see our horses by: Baske Afire, *Jullyen El Jamaal A Temptation, Afire Bey V and more.

Visit our website and our farm to pick something out for yourself.
